

For you, your family, loved ones,  
employees, pets and more!!!

**UrgentVault.com** is an online storage service for storing reports, will(s), DNR, Power of Attorney, Children information, Pet Information and more!!!. With each profile you have the ability to share/unshare access to information to people you choose.

When you see your doctor, you are asked, "What medication(s) are you taking?" According to physicians we talked with, most patients don't remember the medications they are currently taking or have taken in the past 12 months.

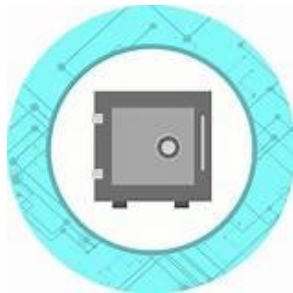

**UrgentVault.com provides a screen for prescription management for Better Care from Better Information.**

Whether your child is at school, playing sports, before/after care field trips or other activity, having access to medical information, health insurance information, birth certificate, physicals and/or other required documents could be Life saving and definitely time saving. **UrgentVault.com provides a screen for Other items and the ability to upload electronic documents to the online VAULT and images which can be shared with teachers, coaches, babysitters and others.**

Whether you are a pet trainer or pet owner, the information storage service provided by UrgentVault.com is very beneficial. Not only can you store and share information about you but you can store and share information about your fur baby. Do you need a place to store reports from veterinarians? Do you need to share information about your pet with a neighbor or care giver? **With the VAULT service included with each UrgentVault.com membership, you can store reports electronically and share/unshare information with a care giver and/or neighbor.**

**VAULT service is included with each UrgentVault.com membership along with the ability to store Prescription information, Physician Information, Allergy Information, Medical History Information and Other Information. Plus, each membership includes the ability to create up to 9 additional profiles allowing you to create profiles for children, relatives, pets and just about anything else. We have a member who created a profile for his boat in order to store copies of insurance & registration.**

**Discounted individual annual member pricing and Corporate pricing for employee benefit programs is available.**
